- A display of "Spikes" bikes;
a gathering for steel-era competitors

Sat 14th July
10am - 1pm
Free Admission

Thomas More Exhibition Centre,
John XXIII College,
Mt Claremont

18

The WA Historical Cycle Club is proud to present

M·H·Jones (incl Capo) Bicycles

A display of vintage-era hand-made steel bikes by the late Milton Jones (1931-2013)

In the 1970's through to the 1990's, Milton "Spike" Jones was the go-to frame builder and repairer in Western Australia. His frames carried many Champions & State Representatives and broke numerous World Records. Come and see wonderful vintage-era road and track bikes including the ultra-marathon MHJ's ridden by Rod Evans.

You'll be amazed by the variety of creations that came out of Milton's modest shed in Myaree.

This is also a rare opportunity for steel-era riders of all makes to catch up with old friends and rivals.

Have an old MHJ or Capo? Bring it in. We might even crack the 50th registration on the day!

Ample free parking. Entry via John XXIII Avenue.
Opening times 10am-1pm.

Have a question? Contact Frank West on 0404 060 289 or email mhjonesregister@gmail.com
